Subject Illinois Settlement Agreement

Can we catch up this morning or early afternoon regarding the redraft of the Illinois Settlement Agreement? I don't think that Jim Morgan has any more comments (other than the issue of the legal description that we are working on this morning). I'm hoping that we can resolve whatever outstanding issues there are relative to the redraft of the Illinois Settlement Agreement today. I believe that there is a call scheduled relative to Kansas at 11am EDT and a call scheduled relative to Michigan at 2pm EDT. If you all think we need a call, what about either 10:30am EDT or 1pm EDT?. Thanks for your continued efforts on these.
